MATHEMATICS EDUCATION RESEARCH GROUP OF AUSTRALASIA, INC.

PUBLICATION AGREEMENT

The undersigned author, having submitted a manuscript entitled

_____

_____

for publication in the *Proceedings of the _____th annual conference of the Mathematics Education Research Group of Australasia Inc*, does hereby:

1. WARRANT that the manuscript is an original work, not previously published and not submitted to any other publisher in the present form; that the author is the sole proprietor of all rights in the work; and that the work does not contain any libelous or unlawful statements, and does not infringe on the rights of others;
2. AGREE to indemnify and keep effectually indemnified the Mathematics Education Research Group of Australasia Incorporated from and against all actions, proceedings, costs, damages, claims, demands, expenses, loss and liability whatsoever arising out of any breach of the warranty given in Clause 1;
3. TRANSFER to the Mathematics Education Research Group of Australasia Incorporated the exclusive rights comprised in the copyright of the work, on the understanding that the author may:
   - use all or part of the work in any subsequent book written by an author;
   - make reasonable numbers of copies of the work for circulation among professional colleagues of the author; and
   - make reasonable numbers of copies of all or part of the work for use by the author in teaching.
4. AGREE that all copies made under the provision of Clause 3 will include a notice that the work is the copyright of the Mathematics Education Research Group of Australasia.
5. DECLARE that any person named as co-author of the manuscript is aware of the fact and has agreed to being so named.

Note to Clause 1. The author is responsible for all statements made in the work and for obtaining permission from copyright owners to reprint or adapt a table or figure or to reprint a lengthy quotation. Write to the original author(s) and publisher to request non-exclusive world rights in all languages to use the material in the present article and in future editions, and provide the Editor of the MERGA conference *Proceedings* with copies of all permissions obtained.
Note to Clause 3. The author is responsible for obtaining permission from the Mathematics Education Research Group of Australasia to reproduce the work in its entirety in any subsequent publication other than a book written by the author.
