

Index for Volume 17 of MERJ

Articles

- ANDERSON, Judy, WHITE, Paul & SULLIVAN, Peter. Using a schematic model to represent influences on, and relationships between, teachers' problem-solving beliefs and practices, 17(2), 9–38
- BARKATSAS, Anastasios & MALONE, John. A typology of mathematics teachers' beliefs about teaching and learning mathematics and instructional practices. 17(2), 69–90
- BESWICK, Kim. The beliefs/practice connection in broadly defined contexts. 17(2), 39–68
- DAVIS, Genevieve A. & HYUN, Eunsook. A study of kindergarten children's spatial representation in a mapping project. 17(1), 73–100.
- EVEN, Ruhama. Using assessment to inform instructional decisions: How hard can it be? 17(3), 45–61.
- GERBER, Ans, ENGELBRECHT, Johann, HARDING, Ansie & ROGAN, John. The influence of second language teaching on undergraduate mathematics performance. 17(3), 3–21.
- JUTER, Kristina. Students' attitudes to mathematics and performance in limits of functions. 17(2), 91–110.
- SCOTT, Anne, L. Pre-service teachers' experiences and the influences for teaching primary school mathematics. 17(3), 62–90.
- STEELE, Diana F., LEVIN, Amy K., BLECKSMITH, Richard & SHAHVERIDAN, Jill. The calculus of differences: Effects of a psychosocial, cultural, and pedagogical intervention in an all women's university calculus class. 17(3), 22–44.
- WARREN, Elizabeth & COOPER, Tom J. Young children's ability to use the balance strategy to solve for unknowns. 17(1), 58–72.
- WATSON, Jane & KELLY, Ben. Cognition and instruction: Reasoning about bias in sampling. 17(1), 24–57
- WEBER, Keith. Students' understanding of trigonometric functions. 17(3), 91–112.
- ZEVENBERGEN, Robyn. Primary preservice teachers' understandings of volume: The impact of course and practicum experiences. 17(1), 3–23.

Book Reviews

- ATWEH, Bill. Bridging the theory, research and practice gap: Multiple voices. 17(3), 113–115.
- LEDER, Gilah. Exploring the effects of gender on mathematics. 17(3), 116–120.
- KLEIN, Mary. Lines of flight in mathematics education and research. 17(1), 101–107
- MILTON, Ken. MERGA: The four year review. 17(1), 107–110.

Editorials

- FORGASZ, Helen. 17(1), 1–2.
- FORGASZ, Helen. 17(3), 1–2.
- LEDER, Gilah & GROOTENBOER, Peter. Affect and mathematics education, 17(2), 1–8.
