The Journal

The *Mathematics Education Research Journal*, the official journal of the Mathematics Education Research Group of Australasia, Inc. (MERGA), is an international refereed journal which provides a forum for the publication of research on the teaching and learning of mathematics at all levels.

Submission of high quality papers in any area of mathematics education research is invited. Topics should normally be of general interest to an international readership, but papers exploring specifically Australasian issues are also welcomed. Both full-length articles and shorter reports may be submitted. It is editorial policy that no preference be given to any particular research methodology.

Reviews of research may also be submitted, provided their intention is to offer a creative synthesis of work in the field of enquiry being reviewed.

Authors and publishers are also invited to submit books for review in the *Journal*.

Readers wishing to submit manuscripts for publication or books for review should refer to the inside back cover for further information.

Subscriptions and Back Copies

A subscription to this *Journal* is provided as part of MERGA membership. Personal membership is currently A\$60 and library membership A\$100, plus international postage if applicable. Back copies are also available. Please direct all enquiries to MERGA, 23/219 Kissing Point Road, Turramurra NSW 2074, Australia. Fax: (+612) 9440 1079, E-mail: <mergapub@tpgi.com.au>.
